Kabbalah And Astrology

Synopsis

Revised Edition Combination Kabbalah and Astrology is a rewrite of The Anatomy of Fate, first published in 1978. It views astrology in the wider context of the ancient tradition of Kabbalah. The influence of the cosmos on humanity, at both the individual and collective levels, is the main topic of this book. The astrological birth chart is examined from a psychological and spiritual perspective showing how a horoscope can be a key in transforming a personal fate into transpersonal destiny. This revised edition, with new pictures and diagrams, is the result of over 50 years of practice and reflection on astrology from an esoteric viewpoint. 57 Figures. Z'ev ben Shimon Halevi is the Hebrew name of Warren Kenton. He was born in 1933 into a Sefardi Jewish Levite family in England. He was educated at St Martin's School of Art and the Royal Academy, where he was taught to see beyond the obvious. This acquired awareness led him to study the esoteric and Kabbalah, the Jewish mystical tradition. Out of this came visits to its ancient and medieval spiritual centres in Europe, North Africa and Israel. Since 1970 he has taught groups all over the world, founded the international Kabbalah Society and written fifteen books that are now in fifteen languages, including Russian, Japanese and Hebrew.

Customer Reviews

This book connected many dots regarding how Astrology corresponds to Kabbalah. It deepened understanding of not only constructs within the Sephirot and how heavenly bodies function in relationship to individual circumstances. Thank you for the insights and inspirations! I am eager to read more.
