# Jesus Calling: 365 Devotions For Kids

## **Synopsis**

Devotions written as if Jesus is speaking directly to a child's heart. Based on her original Jesus Calling, this version has been adapted in a language and fashion that kids and tweens can relate to their everyday lives. After many years of writing in her prayer journal, missionary Sarah Young decided to listen to God with pen in hand, writing down what she believed He was saying to her through Scripture. Others were blessed as she shared her writings, until people all over the world were using her devotionals. They are written from Jesus' point of view, thus the title Jesus Calling. It is Sarah's fervent prayer that our Savior may bless readers, and now young readers, with His presence and His peace in ever deeper measure.

I have my children read this daily devotion aloud in the car on the way to school each morning. After about a week my middle-schooler told me it sets the tone for her day. She says it helps her deal with middle school situations with a clearer head and helps her avoid certain pressures from her peers. We are not avid church going people so to hear her say that made me glad I made this little investment to purchase this book.

I gave this book to my granddaughters on the recommendation of a friend who uses it every day with her children. They read the daily devotion in the car on the way to school and then discuss it with their mother. She said she sees a difference in their behavior. I also use it with my classes during our church's after school program. I love the way it applies God's word to the everyday issues they deal with.

My 13 year old daughter loves this daily devotional. She has difficulty reading - this is the only book that she grabs on a daily basis. Her reading is improving and she is growing my spiritual daily!

Perfect devotional for kids. Easy to understand and follow. I read it to my daughter nightly before bed.

Great for young teens

I'm a children's ministry director, so I've purchased and tried many family devotionals. I like this one the best. The devotions are short and the narrative isn't "teachy", but touches the heart. It also includes suggestion passages, so you can have the option of getting some Scripture reading in. We used the December 25th entry at our large family gathering and I could tell it touched all the adults.

I love the way this book speaks directly to kids. My 6 year old and I read it together, and I love that it lines up with my adult version! It gives me even more perspective by reading both!

My granddaughter LOVES this!! Reads it each night before bed.
