What a great little travel book. The pictures are great. It has a list of top 10 things to do, and an overview of the Cotswolds. There are 9 walking tours listed, complete with maps. Travel tips--such as active pursuits (cycling, golf, fishing, water sports) are listed, as well as themed holidays. Practical info--getting there & getting around--is also included. At the end of the book,

accommodation suggestions are given with price ranges. A great book to start planning your trip.

This was indispensable for our recent trip to the Cotswolds.....that and the navigator on the dashboard! loved all the bits of history for the various villages. We took many of the suggested walks....found them enchanting.

Helpful book with nice pictures and maps. Will take it to England with us next year.
