Goodnight Moon

Synopsis

In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. This board book edition is the perfect size for little hands.

Perhaps the perfect children's bedtime book, *Goodnight Moon* is a short poem of goodnight wishes from a young rabbit preparing for--or attempting to postpone--his own slumber. He says goodnight to every object in sight and within earshot, including the "quiet old lady whispering hush." Clement Hurd's illustrations are simple and effective, alternating between small ink drawings and wide, brightly colored views of the little rabbit's room. Finding all of the items mentioned throughout the book within the pictures is a good bedtime activity--a reappearing little mouse is particularly pesky. By the end of the little rabbit's goodnight poem, the story has quieted to a whisper, and the drawings have darkened with nightfall. As you turn the last page, you can expect a sleepy smile and at least a yawn or two. (Picture book)

Just in time for gift-giving season, the two hardcover staples for every nursery Goodnight Moon and The Runaway Bunny by Margaret Wise Brown, illus. by Clement Hurd are now available in a handsome fabric-covered shrink-wrapped cardboard sleeve as A Margaret Wise Brown Gift Set. In addition, an oversize board book edition of Goodnight Moon makes the great green room larger than ever, allowing readers to trace with ease the tiny mouse that appears in each spread. (Sept.) We read this wonderful book to our 5 grandchildren for years when we kept them! They always wanted this read to them b

Read it to my daughter and now hopefully will read it to my grandchildren soon!

This is the sweetest book and rhymes perfectly. My son smiles every time we read it. :)

This is one of my child's favorite books. Must have read it a couple hundred times at this point. Great for any age and with colorful images that draw a child to it.

This is a classic .

Excellent book

Love this story!

I bought the board book. It's nice and think however. It is black and white on one page and color the next. It alternates. I don't remember that. The story line is rather blah, but I suppose little kids to bed it's ok.
