Customer Reviews

Franko Maps Ltd. is known for producing the best dive and snorkel maps and guides for the Caribbean and other locations worldwide.

Great gift for someone going to Bonaire. some labels on the map are off but its close enough.

This is the best and most usable map of Bonaire. The water-proof version is a great idea. I wish the drawing of fish were a bit larger. But it crams a lot of information into a usable format.

It's a good fish map for the Caribbean. Most of the fish are on there and the laminated card makes it indestructible.

Great addition to our Bonaire vacation - easy to use, lists all the great dive sites.

Good quality map, fits in dive log book.

Franko Maps are the best!

Perfect as expected
