Customer Reviews

I really appreciate being able to get a copy of a book I wrote & published 25 years ago...and has been out of print since 1989. I'm working on getting a digital version available for .com!

Chapters include The legend of Solomon and Sheba, Discovering Jah, the Power of Trinity, The ascent to power, The lion of Judah, His imperial Majesty, The Rastafarians, Positive Vibration, and Babylon. And there is an entire section on dreadlocks, in case you were wondering. Excellent source book for those interested in various religions, the man (Ras Tafari is his name), Jamaica's heritage, and spiritual study. Rare.
