Customer Reviews

Most profitable sector one can imagine business but you always have to be the best here. If you know what is the Flipping House business and need some tips and trick the the successful real estate masters use this will a great choice for you. Me walker is a gem in this business his book Mastering Real Estate Investing: How You Can Make a Killing from Flipping Houses will surely add a new milestone in this business. Where to choose, following the strategies to make it prepare by

flipping and what you should avoid when flipping the house is the major point of this book and what is inside has taken me one step closer to be a master of it. Worthy of a recommendation.

I'm very new to real estate investing and this book has taught me everything I needed to know to earn my first profits through real estate investing! The investment strategies found in this book helped me maximize my profits. I can definitely recommend it to anyone interested in real estate investing.

This book is straightforward however brimming with truths and tips you will use later on to remain longer in the business. It additionally gave the best advice on picking where to contribute. Be that as it may, what I truly cherished most in this book is the way it set out the advice. Basic yet reasonable and effective. This is an astounding asset and guide for financial specialists! I trust this book will enable business people to explore the way toward raising cash from financial specialists. It has been a decent guide for both stock brokers and financial specialists and other related organizations.

This is the right time to invest in real estate. I agree that the value of real estate properties won't go down in a matter of time, instead it goes up depending on the trends. This is an informative book advising readers about flipping a house, how to see the right one to avoid common mistakes that other investors do. Overall, this was a good book for me.

To get complete knowledge about real estate agent is not remain difficult for the beginners. This book contains proven and recommended strategies and principles for a successful career as a real estate agent. This guide book acknowledged me a lot about real estate agent whole criteria and process that I easily comprehend and implemented.

The book has a lot of tips on RE investment. If you are starting to think about it for the start it would be a good book. It will give you general idea about about the subject and some ground for decision making.

It is taking me a bit of time to get through this book because it is full of so much good information. I will use this book to help form a plan for my buy and hold investments. I love the bigger pockets team and all they do to help investors succeed.

This is a good book, that has been well written in a clear and concise manner. It covers a wide range of investment strategies with helpful tips and advice from penny stocks through to venture capital. There is something for everyone. Great value
