## Customer Reviews

Footprint Focus travel guides are specially designed for the needs of today's travelers. Seville provides you with all the information you need and none of the stuff that you don't. Insightful, in-depth and up-to-date information on this gorgeous Spanish city. Extensive listings and expert advice on where to stay, where to eat and what to do.

Andy Symington hails from Australia and, after much time spent prowling and working in various

corners of the world, he settled in Spain, where he has now lived for several years. He is enamoured of the art, architecture, wildernesses, and tapas of AndalucÃƒÂa, which never ceases to offer up hitherto unknown corners to explore. Andy has extensive experience as a travel writer and is the author of several Footprint guidebooks.

This is a nice short summary of what to do in Sevilla! It was a very inexpensive purchase, but a very accurate little book. I adhered to many of its recommendations. In regards to where one should stay....well they don't include [www.airbnb.com](http://www.airbnb.com) possibly because it wasn't around at the time of its publication. However, they have lots of other websites and suggestions. There are no photos, but who cares because when you come to Sevilla you will take hundreds and realize that Sevilla is one of the prettiest cities in Spain. I love it here so much!!! However, I will have to return home after a week.
