Customer Reviews

I bought these 2 items for gifts so can't really say how well they liked them. I know I liked the book itself simply because it is a spiral, which I love. I didn't like the fact that the puzzle was on one page and the words were on another page. I'm sure this has to be done this way simply due to the large print, etc.

This is perfect for me "pee brain"

I love these books

A gift for my mother - she loved it!

Got this for my 76 year old mother. She really enjoyed it.

IT IS VERY NICE!

its ok I actually wanted a cross word puzzle but hit the wrong book
