Lasting Love At Last: The Gay Guide To Relationships

Synopsis

At last, gay love is here to stay. In the era of mobile apps, the gay dating census (aka #BaeBuffet) is literally in the palm of your hands. But how do you sift through all the digital smoke and glitter to find a heart of gold? Enter certified matchmaker and love coach, Amari Ice, and his twelve-step RELATIONSHIP Process. In *Lasting Love at Last*, Amari Ice, the gay relationship guru, will show you: How to attract lasting love in as little as ten weeks How to recognize and neutralize what's sabotaged your past relationships The reason most relationships fail The difference between not being ready for a relationship and being scared of commitment What you actually need from a partner in order to be happy How to guarantee you only invest in someone worth your time, energy, and love And much, much more! If Paul Carrick Brunson's *It's Complicated* (But It Doesn't Have to Be) and Patti Stanger's *Become Your Own Matchmaker* had a #Gayby, *Lasting Love At Last* is what they'd name it.

Customer Reviews

Not gay, or even male, but still worth the read! Just Amari's introduction of the "love triangle" (it's not what you think...) gave me great insight into what's going on in my current relationship, as well as past ones. Also a valuable guideline to evaluate all future relationships - for better or for worse. Amari's book is a fun and get-er-going inspiration for those of us who want - more love in their life!

A friend recommended this book to me because of the difference it made in his life, and I'm so glad he did. It's a much needed book on this topic and the insight and concepts in the book will be beneficial for anyone looking for true, lasting love.

Thank you very very much for writing this book/guide for the gay black community and actually this book can be used for the public at large; It is a comprehensive process on how to get and maintain a long lasting and loving relationship; in the book/guide, there are valuable exercises that I found to be extremely insightful and helpful! Thanks again and GOD bless and good luck!

This book is so needed. I loved it.

This is a book one must read. It is very easy reading very down to earth. I think anyone single should read

Great read!

Amari's book is incredible! He has so much information to share, so helpful and interesting. He has found an untapped niche that is so important. I do believe anyone reading this book will find happiness and love, finally forever!

A friend shared this book with me because the principles apply to all relationships. I got a lot out of it. It's easy to follow, fun, and the author clearly really cares about love. Not all dating books put that front and center.
