best represented by Acts 20:24: “Life is worth nothing unless I use it for doing the work assigned me by the Lord Jesus – the work of telling others the Good News about God’s mighty kindness and love. This is because, as he says, “It is the Word of God and the work of God that changes people’s lives.”

My dear friends let’s hold on to Jesus during these final times that we are living in. I bought this book upon recommendation of a loved one and I enjoyed it. I do like that this book is very easy to read and the chapters are short and concise. There were a few misconceptions that I had about the Holy Spirit that were actually clarified by this book. I did not know that the Holy Spirit is always at work and is not limited to wondrous signs and displays. The Holy Spirit is always at work behind the scenes even when we do not realize it. Learning the truth can set you free. We need to really know who we are in Christ. Sometimes people tend to think that the Holy Spirit is a distant being when He is really not. He lives right inside of you if you are a believer. I would definitely like to read more on this subject.

Love Dr. Stanley. He is right from the Bible true. This book will bring more spirituality in your heart. Brings you closer to the part of God we rarely hear about, the part He gives us when we make Jesus our Lord over our lives. The part which stays in us and talks to us. A must read for any Christian wanting to be closer to God.

This book was so refreshing and fulfilling. The presentation in each chapter is a reminding us that once we accept Jesus Christ as our Savior, the Holy Spirit comes into our life. Each day, we need to ask for the guidance from the Comforter. As we grow into a deeper walk with God, we will overtime be transformed to be more like Christ.

I would highly recommend this book to beginner Christians who have recently accepted Christ as their Savior; or, those people who are thinking about their eternal salvation. I would also recommend this book to those who have been saved by the blood of Christ. It’s a great reminder of what the Holy Spirit has done for us, is to us and how He is working in US if we allow Him.

This book had the information I wanted & needed to grow in my spiritual life. Very easy to read and understand. Great information to help you advance in your Christian walk. No matter if you’re a beginner or a mature Christian this book will be a great guidance to you.

Concise great little read on The Holy Spirit. Wonderful to read a few pages before sleep each night, or and excellent book on the Holy Spirit for the young or new Christian.

This book is for everyone new and those that have been believers of Christ for long time. To me it was a bible study about the Holy Spirit.

Awesomely clear and to the point. Expressed in a manner that you can see yourself applying these points and living them daily. Highly recommend this book.
