Su clasico

estilo adorna las paginas del libro para ninos, Tu eres especial, escrito por Max Lucado.

My older boy got the English version of this book from my sister when he was a Baby and has since become one of his favorite book! We now have 2 other little boys who also love this book. The book is beautiful and it helps children to learn that no one has the right to give them any kind of labels. I bought the Spanish version for a friend since they prefer to read in Spanish, glad this book is also available in other languages. I definitely recommend it!

A very sweet book - a great message for children AND adults. And I'm so glad it's in Spanish!

My daughter volunteered in an orphanage in Tijuana this past year. She asked me to find the Spanish version of this book so that she could share it with her ninos there. We read it to her when she was young, and it made a big impression on her young heart. Now she is passing that on not only to another generation, but another culture!

Libro en perfectas condiciones.

In a world where we are all judged over things we can't control, (physical characteristics, intelligence, accidents) this is a great book for all ages to realize our value in the eyes of God. He made us, He loves us, so why should we let the opinions of others shape our self-image. I love "You are Special" in the English version, so I bought the Spanish version to share with children in Ecuador. The message is needed there, too.

Was very pleased with the book.

Very good my favorite book

Working as a children's therapist, I look for items to use in bibliotherapy, so I ordered this to address self-esteem issues that some of my clients experience. I've already put it to use.
