All My Octobers: My Memories Of 12 World Series When The Yankees Ruled Baseball

Synopsis

To everyone who truly loves the game, Mickey Mantle epitomizes the golden age of baseball, when the mighty New York Yankees indisputably ruled, appearing in an unprecedented twelve World Series in fourteen years! In this intimate memoir, Mantle recounts the joys and trials of his rise from rural Oklahoma youngster to the pinnacle of baseball greatness. In *All My Octobers*, the one and only Mick relives every one of his World Series appearances -- from the 1951 battle when he played alongside an aging Joe DiMaggio to his three-home-run performance in the 1964 showdown. In addition to the on-field heroics, Mantle talks candidly about the injuries, the alcohol, the parties and celebrations, and the terrible toll they can take on a young athlete's life. But most of all, it is a remembrance of October greatness, of postseason pyrotechnics . . . and a loving appreciation of a team of titans that achieved something marvelous and unequalled to this day.

Book Information

Paperback: 256 pages

Publisher: Harper Perennial (June 13, 2006)

Customer Reviews

In addition to *All My Octobers*, Hall of Famer Mickey Mantle was the author of two New York Times bestsellers, *The Mick* and *My Favorite Summer*.

Growing up in the shadow of NY city in the 50's and 60's the Yankees were my team and Mickey Mantle my favorite player. I remember as a young kid crying when Mick struck out (which was quite often) in a big spot, but he always found a way to come back with a clutch hit, home run or catch and make us forget about it! With his details about each of the series he played in I could paint a picture in my mind since I was familiar with all of the players back then. With only a few teams in

each league, a baseball fan could actually remember who was on what team, lineups, pitching rotations, etc. It was a great time for baseball and rooting for the Yankees! I'd recommend this book to all Yankee fans who remember those days!

I remember watching Mickey Mantle play baseball for the Yankees when I was a young boy growing up in West Virginia. I thought then (and still do) he was the greatest player of all time. This is the fourth book I have read about his career and I enjoyed each and every one of them. I recommend this book highly to any baseball fan.

I am one of Mickey's biggest fans and read as many books as I can find. This book was very good at showing the stories of the World Series he was in.

great for Mantle buffs!

All met expectations. I will recommend the seller again.

My Mantle loving hubby who's not a big book reader (but loves newspapers and magazines, etc) absolutely LOVED this book! He always talks about remembering the day Mickey Mantle died.

Loved it and the Mick

Great book!
