Great guide!

I really enjoyed the book it was very interesting and helpful to answer any questions also it gives a picture of every character so you know what everyone looks like so if you love the Kane Chronicles series get this book!

Like Percy Jackson and the Olympians, the world of Egyptian mythology is just as grand! Because I couldn't find this product anywhere, where I live, I ordered it online. Surprisingly, it came before the estimated delivery date, which I was very happy about! The world of mythologies (Egyptian and Greek) is wonderful! And the author of these fantastic books (Rick Riordan) is just as amazing! I recommend Rick Riordan books to anyone!

Would've been 5 stars if it weren't for the lack of information comparing to Camp Half-Blood survival guide.

It was a birthday present for my daughter and she couldn't put it down.

Good buy!!! This book was bought for my granddaughter. She so enjoys these books and this one adds to the story line.

Very fast shipping and had all the facts and everything you would need to know about the Kane Chronicles.

My son is twelve and wanted to read this book. I usually try to check out books at the library but this one was not available. Also my son wanted his own copy. He says that it told him all about the characters and Egyptian History and that he liked it a lot.
