Hidden Army: Clay Soldiers Of Ancient China (All Aboard Reading)

Synopsis

For more than two thousand years, a secret army of life-size terra-cotta soldiers lay buried underground in China. But in 1974, some farmers digging a well discovered the first of what turned out to be an army of more than 7,000. Who made them? And why? In this fascinating reader, kids will learn all about one of the wonders of the ancient world and the fierce first emperor of China.

Grade Level: Kindergarten - 3

Customer Reviews

Jane O'Connor lives in New York City.

Held my children's attention. Very nice pictures and very good information. They touch on the emperor that created the clay army his tomb and the great wall of China.

Purchased as a gift for a grandchild. He'll love it!

Just what I needed for my class.

Great, easy read for my kids (6 & 8). I ordered this book just before a vacation to China and it was

nice for them to learn more about the Xian soldiers.

My students are enjoying reading the book. Thank you for your prompt service.

I actually went to China this past summer and seeing the clay soldiers in person was an awesome experience. I bought this book so I could share the information with my art students.

I gave this book to my 8-year-old granddaughter who truly enjoyed the book. Danika wanted to share the book with her teacher.

enjoyed
