# Topiary Sculptures: The Art Of Creating Living Sculptures

## Synopsis

A small concise guide to the art of creating your own topiary sculptures. This book will show you how you can create living art using wire-frames and training ivy or other plants into the sculpture of your dreams. Both container and outdoor creation and aftercare is covered.

## Customer Reviews

It's too short to cover the subject. Save your money for a better book. I've seen longer magazine articles on the subject.
