ISBN-13: 978-0528881114

Product Dimensions: 9.8 x 0.3 x 3.4 inches

Shipping Weight: 1.6 ounces (View shipping rates and policies)

Average Customer Review: 4.7 out of 5 stars 28 customer reviews

Best Sellers Rank: #40,059 in Books (See Top 100 in Books) #6 in [Books > Travel > United States > Midwest](#) #60 in [Books > Reference > Atlases & Maps > United States](#) #76 in [Books > Reference > Atlases & Maps > Travel Maps](#)

## Customer Reviews

I ordered the three fer. Eastern, central, western for an upcoming cross country road trip. We bought an atlas and while good for an overview or for interstate travel they are not detailed enough for backroad travel. We use gps always but I still need a paper map to select the route I want not necessarily the gps choice. These maps will suffice but still not as detailed as individual state maps. Happy with this purchase.

While I favor Delorme and Benchmark maps for detail, this Rand McNally map gives me the big picture which is great when driving cross country. I can't count the number of these maps I've

trusted and worn ragged through the years. Before putting this one to work, I taped all the folds with clear packing tape.

It's a map. I have not traveled to every area on it, but it seems good enough. It is easy to fold this map. I just wish it was laminated. It is apart of my collection for old school navigation.

I got this map to help plot my course from east coast to west coast, intending to avoid Interstates and major highways. The problem is this map and its associated Western and Eastern US kin show very little other than Interstates and major highways. It's okay for the big picture, but unless you're looking for the fastest route you'll need the Web or a more detailed map to fill in the blanks

Used on our road trip across the United States. The Central Map joined the Western state map and the Eastern State map making a complete guide.

very detailed.

Great map, easy to see and use, would recommend.

ok
