Customer Reviews

Fantastic

I use the works of Calvin for a reference for research. This edition is accessible and well organized.

Worth the money for a serious student of Calvin and the reformed movement.

I cannot be more happy with this! This is a HUGE collection of Calvin's writings, for a couple of bucks, I am extremely blessed! You will be too. If you have never read John Calvin, you'll find an array of different works he's done right here in his 12 Classic Works. Highly recommended!

not into religion to be religious! worthwhile insights!

Full of truth, and conviction! Definitely deserves a read. I recommend this to anyone who wants to see what Christianity Should look like in a covenantal and reformed perspective.

YEAH BOY!!!

Can't pass up a deal like this, you won't regret reading anything by John Calvin.

Very difficult to read. But worth the effort.
