Synopsis

No other two-semester A&P text rivals *Anatomy & Physiology*, 9th Edition for its student-friendly writing, visually engaging content, and wide range of teaching and learning support. Focusing on the unifying themes of structure and function and homeostasis, authors Patton and Thibodeau utilize a very conversational and easy-to-follow narrative to guide you through difficult A&P material. Readers can also connect with the textbook through a number of free electronic resources, including Netter's 3D Interactive Anatomy, A&P Online, an electronic coloring book, online tutoring, and more!
