Anatomy Terminology (Quick Study Academic)

Synopsis

What is the "central sulcus" within the brain? What do "sebaceous glands" secrete? These questions as well as many more are answered through the comprehensive lists of anatomical terms and their definitions found within our latest 6 page study guide. The guide's easy-to-use format includes sections on each area of the human body and its accompanying terms; every word list is alphabetized so that users can find what they need quickly. Additionally, the guide is a great companion to our Anatomy QuickStudy® guide. Any medical student, doctor, or nurse should have this handy reference tool in his or her bookshelf!

Book Information

Series: Quick Study Academic

Pamphlet: 6 pages

Publisher: QuickStudy; 1 Lam Crds edition (December 31, 2011)

Language: English

ISBN-13: 978-1423216322

Product Dimensions: 8.5 x 11 x 0.1 inches

Shipping Weight: 2.4 ounces (View shipping rates and policies)

Average Customer Review: 4.6 out of 5 stars 51 customer reviews

Best Sellers Rank: #16,747 in Books (See Top 100 in Books) #30 in Books > Textbooks > Medicine & Health Sciences > Medicine > General #44 in Books > Textbooks > Medicine & Health Sciences > Medicine > Basic Sciences > Anatomy #61 in Books > Medical Books > Basic Sciences > Anatomy

Customer Reviews

The chart is informative and includes almost all terminologies I need for my bio classes. Good Product!

Helps

This is a good quick reference for anatomy terminology. I have referred to it several times and found it to be very useful. .

Purchased this as a quick refresher/review for an upcoming class. It's nicely laminated, concise, and easy to read. This will be a great alternative to having to flip through the book when I want to nudge my memory on a term. This was a nice price.

Great way for quick study!!

I am using this to refresh before my Hesi and will use for my Nclex. Going through anatomy class, I never realized I actually learned so many new terminologies. This is a great way to study and remember all those new words and definitions.

Love

Bit pricey for what it is.
