The Indianapolis Colts are a professional football team in the South Division of the American Football Conference in the NFL. Jim Irsay is the owner and CEO of the Indianapolis Colts.

My kid brother turned 60 and we had a Colts themed party and I bought him several Colts gifts. This is for his collection. He loved it. He's still a fan of Peyton Manning.

Thank-you so much for the quick response in mailing my book....I so enjoyed doing business with you and hope to continue to do business with you in the future.Thank-you Sharon Jones

This book is a very well-written Commemorative overview of the totally unforgettable 2006

Championship Season and subsequent win of the Super Bowl XLI by the Indianapolis Colts. It is nicely covered with many pictures that go a long way in showing the 2006 season. It will remain in my library, perhaps to be followed with another commemorative of the Super Bowl XLIV win, led by Peyton Manning. I hope it will be the ultimate sibling rivalry, with the opponent being the New York Giants, led by brother, Eli Manning. Sorry Eli, but I am siding with Peyton in this! This does not negate the fact that it is the entire team that wins the game and there is no 'I' in team! Good luck Indy!!

The pictures and content in this book were great - more of a picture book than anything. The editing was horrible though - there were numerous grammatical errors throughout the book. I would still recommend buying it if you want a good history of the Super Bowl season.

This book captures the essence of the Colts' fabulous unforgettable season. A wonderful item for any Colts fan.
