A clear and well organized travel guide. As usual with DK guides, the maps, graphics, and photographs make it attractive and useable.

This was a Christmas gift for my son and he enjoys reading travel books so he is enjoying it.

The greatest travel guide. Full of picture with notes. Well aranged maps. Easy to follow. Easy to use. Full of information. You will no need another guide after using Eyewitness travel guide. Wery good for planning trip.

Just OK. It seems like the only game in town so for a print book it will have to do; it's superficial, heavy, has limited coverage outside of Stockholm.

DK always provides the best info on any country. The Sweden book is a little short on lists of best things to do in each city.

This is a very practical book for someone who has never been to Sweden. It has a lot of information in it that I would not have even thought of. Good things to know before we make a big trip.

Great book. Wonderful pictures and informative.

Love this book, a feast for the eyes. Can't wait to learn more
