This is a fun book for all of us who are still addicted to the Beatles after 50 years. I was crazy about them from the moment I sat on the floor in front of the TV on that Sunday night back in 1964. I found out many things in this book that I hadn't read before. Fun read for anybody who likes the Beatles.

Good read.

Awesome!

Was a gift. Came as expected.

I already know this stuff. I'm a fan, so the history of the B's I've already got in my head. I thought this book might have more "things to do" items, and it doesn't.

I simply love anything Beatles. This book is for anyone that grew up with the Fab Four!

If you think you know it all...you don't! Great book. Good winter fireside reading. A trip back to the 60's! Enjoy!

A book about the band that is alot of fun to read.It makes you think about how much you know about them.
