## Customer Reviews

I have a trip planned in early 2016 to Huascarán National Park so I picked up this book to check out some possible other areas to check out, hike, and enjoy in Peru. This book provided a bit more than just a list of parks, it's a great guide to Peru, if you are into the nature side of travel!

I've never travelled to Peru but after having a thorough read through Daniel's book (and being a big fan of nature!) I literally can't wait to book my one way ticket and see how I go! An easy to digest, fun read. Keep it up, Daniel.

Not really useful! This is for someone who wants to stay in a very safe environment without adventure! Not my kind of traveling!
