# Locked Away: Stolen Innocence: A Story Of Horrific Abuse (Child Abuse Series Book 3)

## Synopsis

Little Chrissy had it all: a mother she thought loved her more than life itself, and a father that doted on her. That is, until the night her mother abandoned her. With her mother gone, her father's life spiraled downward. And when it did, so did hers. He kept her locked up in her bedroom which became her little prison cell. When her father left town, he'd lock her in the tiny cellar with only the hot water heater for companionship. And, even worse, Chrissy was the unwilling victim of repeated rapes. Excerpt: His nose flared and his eyes blazed with anger. The man came closer. He raised a hand and backhanded me across my face. The pain exploded through my cheek. At the same time my legs folded beneath me and I crumpled to the floor. From the floorboards, I looked up and saw my stepmother's hang-out buddy standing over me. Out of desperation I tried to bargain with him. "If you go now, I promise I won't say anything about you being in here." "Oh, you won't say anything," he retorted. He reached down, grabbed a handful of my hair and yanked me to my feet. The blanket no longer covered my....

## Customer Reviews

This book is sad. Is the story of a young teenager who was raped and abused by her father and

various stepmothers. The book is not graphic in describing the abuse. It's hard to believe that such monsters exist in this world. I hope that the young lady will overcome her abuse mentally and physically, and that the rest of her life be successful. I recommend this book and have read to others by this author.

Out of the entire trilogy (which I bought as a bundle deal) this is the best written, most believable, and most touching story of them all.

I was so sad for the main character having to go through having her mother leave her and her dad not being there for her. I hated him and then the last ex-bitch of a wife, then Duke. wow

This story has a lot of sick twisted subjects

Not long enough. Too choppy in style of writing.

this was a good read although short. It seemed to start very slow and end pretty quickly, still well worth the .99

Awesome read. Hope other people enjoy it as much as I did

couldn't quit reading this. I hate the father in this book.
