The "No Time" Boxed Set Featuring Michael Collins: No Time To Run; No Time To Die; No Time Hide (Legal Thriller Featuring Michael Collins)

Synopsis

All three best-selling legal thrillers featuring Michael Collins are now available in one boxed set for one discounted price. Like John Grisham and D.W. Buffa, award-winning author J.D. Trafford created a smart legal thriller that keeps the reader turning pages. J.D. Trafford is the winner of the National Legal Fiction Writing Competition for Lawyers, a "writer of merit" according to Mystery Scene magazine, and his debut novel was selected as "An IndieReader Top 10 Best Seller Pick." The series begins with "No Time To Run." After Michael Collins has burned his suits and ties in a beautiful bonfire, he leaves New York and takes up residence at Hut No. 7 in a run-down Mexican resort. He dropped-out, giving up a future of billable hours and big law firm paychecks. But, there are millions of dollars missing from a client's account and a lot of people who want Michael Collins to come back. When his girlfriend is accused of murder, he knows that there really isn't much choice. In "No Time To Die," Michael Collins is back at the Sunset Resort and Hostel with the other misfits and drop-outs. He reluctantly agrees to find a local boy's missing father and soon finds himself back in the United States, harassed by the local sheriff, hunted by the FBI, and trying to win the biggest lawsuit of his life against all odds. And finally, Michael Collins is brought to justice in "No Time To Hide." Collins is indicted, arrested, and must account for his past. The only question is whether Michael Collins has one more trick up his sleeve or whether it's all over. "No Time To Run" has been an Top 100 bestseller and a best-selling Legal Thriller.

Customer Reviews

All three of the books flow smoothly from one catastrophe to the next. The characters are drawn carefully enough and absolutely every loose end is woven in at the end. Maybe a few too many near misses for me. Certainly, however, most television shows wrap up neatly at the conclusion of each episode, and the main characters live on to fight the following week. Quite entertaining, really.

I thoroughly enjoyed these 3 books. The main character might have had a large gray area, but I liked him. I will definitely purchase more books by this author.

these books were great I was not able to figure out what was going to happen until the very end they are well written and hold your interest at some points I could not put it down. I will look for more by this author as they were enjoyable to read.

Very good

This was like a Bourne movie and a John Grisham book. I can't for more books like these. I could not wait to find out

Read the first of the series a while ago. Found no problem reading it again in order to read the whole series. Read it from start to finished and found it difficult to put down. If you like legal thrillers, these books are for you.

Loved this series and want to read more from this author.

All the books were an easy read but very enjoyable - I thought the first and third book were the best of the three.
