very great! it came on time and inexpensive. I had to turn this in before a certain time so I can walk the stage to get my diploma a few years ago. it saved me

Bought for my daughter's high school government class. She has ended up loving the class. Not sure if it is the book or the teacher.

My daughter lost three of her high school textbooks, and it was going to cost me an arm and a leg to replace them. I bought used books on and saved a ton! I was thrilled that I found out about this option.

The condition of this book is not perfect, but it is still good, and I bought it for a great price. It was shipped quickly.

The American Government Student Edition is a book that the school requires us to read as part of

our curriculum and as a school reference

Very comprehensive high school textbook used in many western states. Well organized with great chapter review questions. Heavy textbook to carry around..

Fast and convenient. The book is wonderful, just as stated. I would order again and I will. Fast and excellent.

my son say's this has been a great quality book
