# The Blue Bistro

## Synopsis

Elin Hilderbrand, author of the enchanting *Summer People* and *The Beach Club*, invites you to experience the perfect getaway with her sparkling new novel. Adrienne Dealey has spent the past six years working for hotels in exotic resort towns. This summer she has decided to make Nantucket home. Left flat broke by her ex-boyfriend, she is desperate to earn some fast money. When the desirable Thatcher Smith, owner of Nantucket's hottest restaurant, is the only one to offer her a job, she wonders if she can get by with no restaurant experience. Thatcher gives Adrienne a crash course in the business...and they share an instant attraction. But there is a mystery about their situation: what is it about Fiona, the Blue Bistro's chef, that captures Thatcher's attention again and again? And why does such a successful restaurant seem to be in its final season before closing its doors for good? Despite her uncertainty, Adrienne must decide whether to open her heart for the first time, or move on, as she always does. Infused with intimate Nantucket detail and filled with the warmth of passion and the breeze of doubt, *The Blue Bistro* is perfect summer listening.

## Book Information

Audible Audio Edition

## Customer Reviews

I loved reading this book. Really enjoyed the restaurant goings on and the menus and the folks who worked in the restaurant. Also the steady customers sitting at their favorite tables. A good read!!!

Makes me want to visit Nantucket and go enjoy a lovely dinner there. A quick and easy summer beach now that will not disappoint

Not a fan of this book. Not sure if I would read another of her books either. Didn't care for her writing style nor the characters. Just not a fan.

I loved this book!! It was a fun read and I enjoyed the restaurant-setting on Nantucket.

Couldnt put it down. I almost gave up on this author due to such high kindle book prices and seemly shorter books. I loved it. I laughed, I cried, I wouldnt mind a part 2 for these characters.

Arrived promptly, in perfect condition, and exactly as described. Thank you!

When Adrienne Dealey arrives on Nantucket Island, she is broke, rudderless, and running from a life of lost connections and relationship woes. A motherless child at twelve, most of Adrienne's life has been about fleeing from the past. On her first day in Nantucket, she meets Thatcher Smith, one of the owners of the Blue Bistro, a legend in its own time, famous for its cuisine and its reclusive chef and co-owner, Fiona Kemp. When Thatcher hires her, he also lets her know that this summer is the final season for the Blue Bistro. That is fine with Adrienne, who is accustomed to short-term gigs and ties that do not bind. So, surprisingly, what happens to Adrienne in the upcoming months will change the course of her life forever. Will she finally discover the real kind of love? And what will the secrets binding Fiona to Thatcher mean for her tenuous future? And what, finally, will Adrienne discover about herself for the first time since her mother died? At first, I thought this would be a simple beach read, with typical romantic connections, but I was very wrong. *The Blue Bistro* delves into the mysteries of human connections and the ties that bind us to one another inexplicably. It leads the reader down unexpected pathways as the fears, insecurities, and haunting past mistakes of the characters connect us to them as we keep turning pages, wondering how the journey will end. It is a tale of unexpected opportunity, self-discovery, and second chances: a five star read, this tome is a fascinating exploration that is not predictable and kept me guessing until the final pages. Highly recommended for Hilderbrand fans and for those who want something meatier than the usual light romantic fare.

My perfect first read of Elin Hilderbrand's books, Wow! I couldn't put this book down, loved it! After reading the Blue Bistro I've read every Elin Hildebrand book she's written and I'm waiting on her newest book to be released. Love her writing!! highly recommend all of her books, you will love each

one. I recommend starting with the Blue Bistro.Can't wait for her newest release.
