Shannon Watters is the co-creator of Lumberjanes, a comic book editor, and all around classy dame. Noelle Stevenson has been nominated for a Harvey Award, and was awarded the Slate Cartoonist Studio Prize for Best Webcomic in 2012 for Nimona. A graduate of the Maryland Institute College of Art, Noelle is the co-writer of Lumberjanes. She lives in Los Angeles.

great continuation of a great series, highly recommend overall

my daughter loves these books

Great series with strong and diverse female characters!

7th grader liked this book.

a great read

This volume was enjoyable but it was missing something, and that something is Noelle Stevenson. Within the first chapter I stopped and had to see who had written it because the humor was off and it was missing the fun silliness it had before. Don't get me wrong it's a great addition to the series (answer some questions while adding new ones), but it just felt off. I hope Stevenson is on the next one because her humor makes this series what it is.
