2600 Phrases For Effective Performance Reviews: Ready-to-Use Words And Phrases That Really Get Results

Synopsis

Whether you're an HR professional or a manager, chances are there's one task you really dislike: giving performance reviews. Even if you know the basic points you want to get across, finding the right words and committing them to paper is about as much fun as a trip to the dentist. But this handy little book puts thousands of ready-to-use words, phrases, descriptions, and action items right at your fingertips. Paul Falcone covers the 25 most commonly rated performance factors, including productivity, time management, teamwork, and decision making, plus job-specific parameters that apply in sales, customer service, finance, and many other areas. Not just for review time, the book will also be instrumental in creating job descriptions and development plans as well as for monitoring performance, progress, and problems year-round. Praise for Paul Falcone's Previous Books: "If the art and science of hiring and firing has become a puzzle, then author Paul Falcone [The Hiring and Firing Question and Answer Book] has the answer."-- Houston Business Journal "When you feel the need to document an employee's actions (or inactions), turn to this great tool [101 Sample Write-Ups for Documenting Employee Performance Problems]."-- Legal Management "[96 Great Interview Questions to Ask Before You Hire] takes the guesswork out of the interview process."-- Benefits and Compensation Solutions Paul Falcone is a human resources executive and has held senior-level positions with Nickelodeon, Paramount Pictures, and Time Warner. He is the author of several bestselling books, including 101 Sample Write-Ups for Documenting Employee Performance Problems, 101 Tough Conversations to Have with Employees, and 2600 Phrases for Setting Effective Performance Goals. He is a long-time contributor to HR Magazine. Visit him at www.PaulFalconeHR.com.

Great tool for Junior PO or enlisted members in the armed forces to adequately write performance marks.

Incredible book!!!. Highly recommend. The book force you to consider different aspects when conducting any kind of performance evaluationThe author has presented elegant examples . Indeed I could use this book to conduct different types of performance review or feedback.Be cognizant NOT to buy Kindle version . This is a reference book and not suitable for eBook . eBook experience is not the preference experience for any reference type of books Hence I returned the kindle version and brought a paperback version

Okay phrases, that need a bit of you to make them work. Take note... Find the one book that has the most phrases, purchase it, for there's several others like this that are simply repetitive in editorial.

One of the most difficult things to write are bullets for "needs improvement". While trying to convey that improvement is needed, you are also trying not to demoralize the rate, but offer constructive feedback. The examples in this book are ideal for that very purpose. I no longer have to agonize over OPR/EPRs for my rates.HIGHLY RECOMMEND!

Always a go to at review time. Good for the reviewers and those writing self reviews.

Every leader should own this, makes writing and phrasing what you really want to say that much easier.

Phrases weren't what I expected and didn't really help with writing my subordinates' performance reviews.

Must have for those that do performance reviews.
