Upstairs The Peasants Are Revolting: More Family Life In A Farmhouse

Synopsis

Get ready for another rollicking reading ride -- when you can't tell if the tears you suddenly find on your cheeks are from laughing or from crying. Dorcas Smucker once again writes so vividly about life with her six kids that you'll be convinced you have a place at their table, your own seat in their van, a list of chores with your name at the top, and a small hankering for trouble -- just like one of the family. She and her kids are innocently funny and usually well-meaning, trying hard to manage all their energy and their peculiar points of view. Jenny asks questions endlessly like, "What's inside your lips?" Matt has serial obsessions -- animals to astronomy. Ben drops caterpillars down the gaps in the porch floor and has a 12-year collection of scars. Emily moves effortlessly from being a whirling Queen of the Smuckers to posing as a pompous science lecturer. Amy phones home to report that, "New York City is not dangerous," and "We girls walk outside at night." And 9-year-old Steven from Kenya joins the family, soon demonstrating the same compulsion as his new brothers by throwing balls in the living room. What makes this collection a stand-out is Dorcas' "Mother voice." With each new development, she's clear about the outcome she's hoping for, less certain about how she'll accomplish it, willing to confess the way things unfold. Dorcas Smucker, writer and mom, is bravely honest and hilariously humble. She never fails to give courage to any parent who reads these joyride chapters, while relentlessly entertaining.

Book Information

Paperback: 168 pages

Publisher: Good Books (September 1, 2007)

Customer Reviews

~~~~~ Dorcas Smucker, a mother of six and a Mennonite minister's wife, lives in a 95-year-old farmhouse near Harrisburg, Oregon. In addition to her normal responsibilities of pulling splinters, settling arguments, and mopping floors, she writes a column, "Letter from Harrisburg," for the Eugene, Oregon, Register-Guard. She also speaks to various groups, which she enjoys because everyone listens and no one interrupts. Her interests and hobbies include reading, crafts, sewing, travel, and exploring the Internet. She is the author of *Upstairs the Peasants Are Revolting* and *Ordinary Days: Family Life in a Farmhouse*, both published by Good Books.

Dorcas Smucker lives in rural Oregon with her husband, who is the minister for their Mennonite congregation, and their six children. She has been writing a slice-of-life monthly column about life on the farm for the Eugene Register-Guard for over ten years now. *UPSTAIRS THE PEASANTS ARE REVOLTING* is a collection of her newspaper columns. Mrs. Smucker's writing is warm and quietly witty; other people have said reading her essays has very much the same feel as chatting with a friend over a cup of tea. They range from the simple day-to-day moments - feeling wistful because her daughters don't need her to braid their hair anymore, going to her first football game EVER - to the eye-popping: heading to Africa to do humanitarian service and deciding to adopt a boy the family met there. She is open about her religion without being preachy, offering instead a look at a culture many people don't know much about. All in all, this is a quick, enjoyable book that should make you feel better after you've read it.

DORCAS SMUCKER, HAS DONE IT AGAIN. I JUST LOVE HER AND I JUST HER WRITING AND HER BOOKS I NOW HAVE FINISHED THE SECOND BOOK. SHE IS SO HILARIOUS. MINANITES OR LIKE MOST US BUT NO TVS I DON'T THINK ANYWAY THEY HAVE EVERYTHING ELES WE HAVE CARS STOVES COMPUTERS TELEPHONES AND EVERY THING ELES. SHE IS A WONDERFUL WRITER SO FUNNY ALOT LIKE EMRA BLOOMBECK. I JUST GOT HER FOURTH BOOK AND I HAVE ORDER HER FIFTH BOOK, AND I AM TO START HER THRID BOOK NOW I HOPE THAT SOMETIME SOON WILL WRITE MORE FUN TO READ BOOKS ABOUT HER FAMILY SHES WONDERFUL . I JUST LOVE HER AND HER BOKS YOU SHOULD READ THEM ALSO YOU WILL LOVE THEM.

I HAVE READ ALL OF DORCAS SMUCKER BOOKS AND ENJOY THEM ALL . I HAVE SHARED

THEM OTHER.

EVEN BETTER THAN THE FIRST BOOK.... AND HOW CAN THAT BE????!! Any woman would love this - whether you live in the country, wish you did or just like having a woman who can relate... is awesome!

She's a mom of 6 and she writes everyday happenings and makes it sound fun! What's not to love about honest to goodness life?

:)

Dorcas Smucker has a refreshing voice, as she describes her gratitude for the crisp bite of an apple, the beauty of daffodils growing freely, the frustrations of a year in which mice seem to multiply out of nowhere, the care she took to choose Christmas gifts that would convey the feeling of being "special, loved, and included, like someone who really mattered." I especially enjoyed the essays relating to her marriage, her discussion of the give-and-take of the relationship and how the "feeling" of love sometimes comes and goes but the practice of love should remain solid. Or, as she quotes her husband: You'd think we'd have everything figured out after 18 years. God has blessed me with a wife who is committed to making our marriage work, but we are still discovering the mysteries of love and sacrifice and commitment and how they make a relationship work. Dorcas grew up in the Amish community, but she and her family are now Mennonites and she describes her struggles to make the right decisions. "Is it okay to buy a fast-food meal if it means more time with a friend? If having a garden means I don't have time to teach vacation Bible school, which do I choose? Is making my own food always better than buying it? Am I insisting on doing things the slow and old-fashioned way long after it becomes pointless?" Ultimately, the question seems to be, "Was it worth it?" and her answer comes through clearly, "Yes, yes, it was." Likewise, time spent reading this book was worth it. I highly recommend it.

After reading and enjoying *Ordinary Days*, Smucker's first book, I was excited to discover she was publishing another. Smucker's writing has the perfect blend of honesty, charm, and humor. Her short essays are often light-hearted takes on everyday situations that she infuses with laughter and a deeper perspective. There is something beautiful about the simplicity of the life she describes, the details that we often overlook or take for granted. You can't help but wish you could spend a day at

the Smucker's after reading one of her books.
