Customer Reviews

Welcome to Chowderland Stuffed with potatoes, flavored with onions and bacon or salt pork, and finished off with fresh, tender fish, Brooke Dojny’s classic seafood chowders are satisfying, filling, and easy to make. And if you love chowder, you’ll also want to experiment with recipes that celebrate spring vegetables, use up Thanksgiving leftovers, and give corned beef and cabbage a fresh presentation for St. Patrick’s Day. Delicious salads, breads, and sweets complement and enhance your chowder meals.

Great collection of recipes, can't wait to get our chowder on

A fine recipe book for Winter-time soups and stews to warm you up. Also has some dessert recipes.

Lovely book, and I'm not a fish fan. Tried 3 recipes and got/gave raves.

Love chowders and this book does not disappoint.

Wasn't quite what I expected but looks like I'll get some good recipes out of it.

My husband really uses this cook book. We have had some great Chowders!

This is a fantastic cookbook. It has wonderful information and recipes.

Have only tried a couple recipes so far, but really liked them.
