## Customer Reviews

Love this coloring book.

Twelve pictures were drawn with such a broad pen, they're ugly and no way to color. Out of 49 flowers, there are only 18 good drawings. To add insult to injury, the pretty picture on the cover isn't included. All 3 books in this series have the same flaws. I've ordered numerous adult coloring books and these are the first with a broad tip pen.

Lines are very thick and too dark.

Beautiful
