## Synopsis

In this delightful series written by BabyLit author Jennifer Adams and illustrated by kidlit darling Greg Pizzoli, each book showcases a different city with lighthearted baby-appropriate text and ridiculously charming illustrations. Cross the pond and explore the city on the Thames: feed the pigeons in Trafalgar Square, watch the changing of the guard at Buckingham Palace, marvel at the spinning lights of the London Eye, and say good night to London's landmark skyline.

Another great little book by Jennifer Adams--with great illustrations. A lovely romp through London.

I've been a fan of Jennifer Adams' BabyLit and Edgar books for a long time. So it's a joy to see this

new line. What a great concept and the illustrations are perfect. Highly recommended!!

Sweet rhyming words and art to properly introduce your little one to the wonderful city of London!!!

Loads of fun for the wee ones. Simple concepts with delightful illustrations.
