Book by Hait, Pam

I am the kinda guy who finds everything on line, even my daily trips. This book gave me and my family a complete set of things to do in arizona. We like to take daily trips whenever possible, and this book is very convenient to find your way to where to go, when to get on the road, and some info about the places you are going. Our first trip with this book was to montezuma castle and loved it. Now I was hoping for a newer version (THIS IS THE OLDER VERSION), i didnt notice this was an older one when i bought it, but whatever version you have montezuma castle is still at the same place!! Since it was a penny only couldnt miss it, and everytime i go on to a trip, after i get the idea i check online to see if there are any major changes as if they moved the castle:) or change the opening closing hours. If I had the newer version i would still check it anyways.Fun book, very practical, makes my family excited and happy on the road.
