Thank You: (a Book For Teachers)

Synopsis

The perfect last-minute gift for your favorite teacher. As artist and writer Sandy Gingras so aptly points out in the introduction to her book *Thank You*, a life lived well is perhaps the highest form of thanks a person can give to teachers as a way of repaying them for their attention and effort. A simple thank-you is also nice. *Thank You* is Gingras's own delightful way of conveying this sentiment. This charming keepsake book features her soft, sweet watercolor artwork and thoughtful original text celebrating teachers and all they do for us. Always striking the right tone of gratitude without being overly sentimental, *Thank You* is a wonderful way to show appreciation to teachers for their enduring gifts to us both great and small.

Super cute book although much smaller than I expected. Ordered it for my son's 3rd grade class to all sign and write their own thank you for... To their teacher who was retiring but when it arrived I quickly realized that there's no way a class of 28 could all even sign their names. It's my fault for not checking the dimensions but didn't think I'd have to. No longer have the book to measure but it's about the size of a sandwich. With that said the story is perfect for any teacher as a end of the

school year gift. I just had my 2 children whom this teacher taught write heart felt notes in both the front and back cover.

this book is very small. I wasn't expecting a big book but this is really really small. I was kind of dissapointed.

Not that great compared to all the other "teacher thank you" books out of there

A GREAT GIFT FOR MY STUDENT TEACHER!

very nice book

Cute little book. I bought two for my sons' teachers. I had each of them write a little note on the inside cover to go along with their end of the year gifts. It seems that some people weren't happy about the size of the book, it is small but the dimensions are listed on the product description.

Cute little book

Underwhelming!!
