Flip Book Fan: A Breezy Little Book

Synopsis

Literally the coolest book ever. Breezing through the pages of this handy flipbook offers the illusion of standing in front of a refreshing fan as it cycles back and forth. While clever colorful photos suggest a warm summer day, the cool wind produced by the movement of the pages will soothe away the heat.

Book Information

Paperback: 112 pages

Publisher: Chronicle Books (April 12, 2016)

Language: English

ISBN-10: 1452151288

ISBN-13: 978-1452151281

Product Dimensions: 2.9 x 0.6 x 4.5 inches

Shipping Weight: 4 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars 6 customer reviews

Best Sellers Rank: #747,290 in Books (See Top 100 in Books) #149 in [Books > Humor & Entertainment > Humor > Puns & Wordplay](#) #950 in [Books > Arts & Photography > Photography & Video > Photojournalism & Essays > Photo Essays](#)

Customer Reviews

Gui Borchert is an award-winning creative director and designer. He lives and works in Los Angeles.

You can almost hear the fan whirring as you spin through the 55 pages of this oversized flip book (see pic for height, length and width size comparison to standard flipbooks). Flip fast, and you imagine a super-heated day with a fan blowing at full power. Flip slow, and you picture a lazy summer day with a fan providing more sound than fury. Although many flip books tell a story, I liked the way artist Gail Borchert used an everyday, utilitarian object to highlight movement through still pictures. Fans, like wheels on a car, are like real-life flipbooks. When they move slow, you can see every single spoke or blade. When they move fast, their individual parts become a blur, but at some point in the rotation of a fan, the blades actually seem to be still, while fast-moving wheels on a car seem to be rotating backwards. This flipbook both plays off the idea of fans as a real time flipbook, as well as highlights their movement-defying properties. A smartly executed piece of work.

My 3-year-old grandson, who is obsessed with fans, enjoys this book. My only recommendation is

that the book should flip over and have pictures on the back of the pages with a different fan.

It is what it is... Fun flip book!

Cool little book

This book changed my life. I'm a serial sweater and I was given this book as a diss from an ex-lover. Little did she know that the diss is on her: not only am I dry as a bone these days, but I'm also giving the bone - sans sweat - on the reg. Neat, compact, and functional. Thanks Flip Book Fan.

Ed was right.
