Wines Of Bordeaux (Mitchell Beazley Wine Guides)

Synopsis

For wine lovers contemplating a trip to Bordeaux— or just trying to decide on a great bottle of this popular red— this fully revised and updated edition of David Peppercorn's popular guide to the region will provide all the help needed. Comprehensive and authoritative, it includes the area's best wines and chateaux— more than 1,000 in total. Divided into the region's appellations, the directory then goes in an easy to follow A-to-Z format within each region. Star ratings point out quality recommendations, symbols show which wines are drinking well now and which will keep, and a “v” indicates those wines that offer particularly good value for the money.
