Sometimes a book is so easy to get into that it holds my imagination and plays out in my mind like a movie. I didn't want to put this book

down once I started reading. But I had to because life goes on, even when I want to hide in my room and tell everyone to leave me alone!! Well, never mind. My imagination took off with these characters and even when the book wasn't in my hand, I pondered about them and daydreamed a little. I love it when a book does that for me. I fell in love with the characters that Melissa Storm created. I loved watching Liam and Jennifer fall in love with each other. And Molly Sue-- there is nothing more potent or powerful than a child whose faith is as wide and bright as hers. Between Molly Sue and God, (they had a plan) Liam and Jennifer didn't stand a chance! I was honored to receive and advanced reader copy of this book, and I voluntarily gave this review.

Love's Prophet is another great story in the First Street Church Romances series. If you like well-written sweet romances with all the feels and delightful characters, then you need to read this book and the entire series. Liam and Jennifer make a sweet couple struggling with their feelings for each other. Unlike so many stories, their struggles are valid. Molly Sue is precious and wise beyond her years. In spite of Liam, she is happy and well-adjusted. Too often, parents, in their grief, forget their kid(s) are grieving too. Liam did but Molly Sue seemed to thrive anyway. I attribute that to the 'job' her mother gave her. I enjoyed getting a glimpse into the lives of everyone we know in Sweet Grove. It is always a treat to catch up with old friends. I'm looking forward to the next book in the series. It sounds like Ben and Summer's wedding will be an exciting adventure.

I have to say this book was sweet, lovely, charming! Yes, it had a few sad moments but it was very uplifting yet not preachy in any way. I loved the characters and especially Molly Sue!! Definitely worth picking up for a lovely heart touching read. Review in exchange ARC.

I absolutely loved this book! Seems to me that Melissa Storm gets better and better with every book she writes. I have not read a Melissa Storm book that I have not LOVED! The last book in her First Street Church series was my favorite. That is until I read this one. She writes about everyday things that really happen but she makes it interesting. If you read this book, you will cry but you will love it!

This whole series of 1st street church books have been excellent...and Love's prophet did not alter from that. I could not put the book down. I was captivated. Great story and could relate to some things on a personal level.

Another great romance in this wonderful series. Liam and Jennifer are amazing but Molly Sue is the shining star of this story. If you like small town, clean, romances with great stories and memorable characters, read Love's Prophet.

I enjoyed this story so much. Well written! God is such an important part of our lives and it was great to read this story. Thank you!

This is a very good, clean romance. Sometimes life really is a fairy tale.
