Message To The Blackman In America

Synopsis

Message To The Blackman In America By Elijah Muhammad According to countless mainstream news organs, Elijah Muhammad, by far, was the most powerful black man in America. Known more for the students he produced, like Malcolm X, Louis Farrakhan and Muhammad Ali, this controversial man exposed the black man as well as the world to a teaching, till now, was only used behind closed doors of high degree Masons and Shriners. An easy and smart read. The book approaches the question of what and who is God. It compares the concept held by religions to nature and mathematics. It also explores the origin of the original man, mankind, devil, heaven and hell. Its title, Message To The Blackman, is directed to the American Blacks specifically, but addresses blacks universally as well. Publication Date: Apr 06 2009 ISBN/EAN13: 1884855709 / 9781884855702 Page Count: 386 Binding Type: US Trade Paper Trim Size: 5.5" x 8.5" Language: English Color: Black and White Related Categories: Religion / Islam / Theology Softcover Price: \$17.95

Customer Reviews

Messenger of Allah, Leader, Teacher and Guide to the Lost-Found Nation of Islam. Born Oct. 7, 1897, Sandersville, GA.

Love everything about this book. Very mind blowing.....

Excellent Book. Classic 60's Black history book that inspired Ali and millions of others.

I first bought this book in 1980 and I have diligently utilized it as a guide for my daily life, the appealing aspect of this book for myself is that I've bypassed and ignored the religious sections of this book (I am an atheist) and focused my energy and attention on the non-religious material in this book. The three book sections that I've utilized as part of my daily life are:1. ORIGINAL MAN from pages 31-672. ECONOMIC PROGRAM from pages 192-2053. LAND OF OUR OWN AND QUALIFICATIONS from pages 220-247To add onto these three sections are also the chapter "The Right Of Self-Defense" pages 217-219 (the black people in South Carolina needed this kind of advice perhaps they would of defended themselves against being shot to death). I also like the chapter titled "Decline Of The Dollar" pages 275-278 and "Build Our Own Society" pages 300-303. I do not need a black leader and definitely not a white leader Sharpton, Jesse Jackson, or even Farrakhan the only thing I need is this wonderfully enlightening book.

Love it

Should be required reading for all Afrodescendants

This is a good read per my son.

In perfect condition!

Wonderful read
