# Be Dynamic (Acts 1-12) (The BE Series Commentary)

## Synopsis

In his first of two books covering the book of Acts, *Be Dynamic* focuses on Peter's ministry, mostly in Israel and centered in Jerusalem. Through explaining Luke's record of the gospel's advancement and church expansion, Wiersbe opens the door to understanding the work of the church today. Using hard-hitting quotes from recognized names like St. Augustine and John Bunyan, Wiersbe proves himself a well-read author and gifted writer. The depth of his study is astounding, yet the accessibility of his text for every age group is evident as well. He proves what Luke intended—*for Acts to be interpreted not as the apostles' glorious acts, but as the life-changing acts of the Holy Spirit. The same Spirit lives in believers today, the same God calls followers to expand His church, and the same basic problems still arise within the church, but the same power available then is still available now to change the nations.*

## Customer Reviews

Wiersbe is probably one of my favorite writers. This book was so insightful and meaningful. It digs deep and draws out treasures from God's word like I've never experienced before. Amazing and highly recommended to those seeking or wanting a deeper relationship with God.

Great exposition of Chapters 1-12. I like the way Dr. Wiersbe divides the contents of a chapter or chapters into palatable sub headings with the same theme or thread. It is easy to remember. I also got Be Daring for the remaining chapters of Acts and have started digging in.

As usual, Wiersbe is right on. We're using this book as the basis for our regular Bible Study as Christ builds a new church start. The book really is all about the work of the Holy Spirit in the early church, not the work (Acts) of the apostles. The kindle version is great, since I use it on my iPhone, and a couple of times when I have left the actual book miles behind, I almost always have my iPhone with me.

This is a great study guide as I begin my study of Acts. As usual, Wiersbe is right on target. He has a very understandable format and is very in-depth. I love his works!

Great verse by verse break down of the power of Christ working through the lives of the early Christians. A must have for pastors, teachers and any Christian who's looking to gain a better understanding of scripture.

Bought this for my course at Bible College and glad to have it. Having begun to read it, had I known about it, I would have just bought it for my own use.

Insightful commentary

This series book is chock full of inspirational detail. Thorough group study promotes a wealth of discussion, heart-sharing and mutual growth.
