Falling For Rachel (The Stanislaskis)

Synopsis

From #1 New York Times bestselling author Nora Roberts comes a mesmerizing tale of love in the big city. Landlocked in Manhattan, rugged seaman Zack Muldoon needed a tough, no-nonsense lawyer to save his kid brother's delinquent hide. Public defender Rachel Stanislaski was not what he had in mind—until he discovered there was a lot more to the beautiful, coolheaded attorney than met the eye—and found himself falling for her, hook, line, and sinker.

Nora Roberts is the #1 New York Times bestselling author of more than 200 novels. She is also the author of the bestselling In Death series written under the pen name J. D. Robb. There are more than 400 million copies of her books in print.

Falling for Rachel is the third of six books in Norah Roberts' fine and fascinating series on the Stanislaski Family. It's NOT a new series of books, so if you've been reading Nora for a couple of decades, as I have, you've probably already read all six and enjoyed them once. They're worth another read and these e-versions definitely belong on the Kindles of Nora's devoted fans. Just be careful and try to read them in order; doesn't make this easy because on the KINDLE Bookstore site, if you search for "Stanislaski series," you'll be taken to a page that has the first two (or maybe three) in the order in which they were written, but gets the others all mixed up! To help you out, here is the chronological order of the series (and a couple of words on the relationship between Natasha,

featured in the first book in the series, and the protagonist of each novel):1. Taming Natasha2. Luring a Lady, featuring Mikhail, Natasha's brother.3. Falling for Rachel, featuring Rachel, Natasha's sister.4. Convincing Alex, featuring Alexi, Natasha's brother.5. Waiting for Nick, featuring Natasha's brother-in-law's brother!!6. Considering Kate, featuring Natasha's daughter.In all of the books, you'll also meet or renew your relationship with Mama (Nadia) and Papa (Yuri) Stanislaski. Enjoy!HOLD THE PRESSES. AN UPDATE: As of Jan. 15, 2014, 's Kindle Store is offering, for a great price, the ebook Stanislaski's Bundle 1 of 2: Considering Kate\Convincing Alex\Falling for Rachel (bundle 2 will follow). Note, however, that once again, the publisher managed to mess up the order in which the books should be read for the best reader enjoyment! Amazing!! But for the price, it's a very good deal, and one that I missed, but you shouldn't.

Thought all the books in this series were good, even though they were re-releases, I had not read them prior to this. I understand alot of people were upset by the revamping and re-releasing but honestly all of the new Nora Roberts book have the NR seal on them stating when they are a "never before released" title so it's pretty easy to tell when it's a new book or not. Thought the content held up to the time difference pretty well, would recommend.

Another winner by Nora Roberts! A fun read with some action packed surprises. Rachel is smart, gutsy, witty, and sometimes full of herself, sometimes unsure. You will wish you could be a part of the very real and diverse Stanislaski family. I have enjoyed each book in this series and look forward to the next one with great anticipation.

Third of six in Roberts' Stanislaski series, the warm-hearted, hot-blooded and gorgeous Ukranian-American family.The author does her usual great job in creating characters that I care about; I was invested in their HEA. And I loved the bits with her family and wished for more.However, this book probably would have worked better for me if the troubled brother was 15, even 17, not 19 years old. Also, the brief bits about gangs read more like Gang Light and occasionally made me wince. Minor issues, really.I had a good time and am looking forward to #4.

I enjoyed

This is the third book in the Stanislaskis series by Nora Roberts and it was exceptionally great. Rachel the hard nosed public defender gets Nick as a case, she gets appointed his co-guardian by

the judge for two months. She didn't think she could do it, and she certainly didn't think it would change her life when her partner in all this is a stubborn ex-sailor. You get to know more about Alex in this book which is awesome, because his book is next. Awesome story and series thus far.

This is one of those classic Nora Roberts' "every sibling needs to find their other half" - novels, short, romantic, and with a twist of drama & tension in the meantime to make sure you want to know how it all ends. Because, hey, you already knew they get each other in the end at the moment of purchase, but how will the step-brother end up, will everyone stay safe and unharmed, and so on and so forth. Romantic. Nice characters. Good dialogues.

Exciting and heart stopping it had suspense romance and a little adventure it was easy to read makes you want to keep reading to find out what happens next
