Death Note Black Edition, Vol. 4

Synopsis

Killer 2-for-1 value on hit thriller Death Note! Reads R to L (Japanese Style), for audiences T+
Contains Volumes 7 and 8 of Death Note! Light Yagami is an ace student with great prospects--and heâ™s bored out of his mind. But all that changes when he finds the Death Note, a notebook dropped by a rogue Shinigami death god. Any human whose name is written in the notebook dies, and now Light has vowed to use the power of the Death Note to rid the world of evil. Will Light's noble goal succeed, or will the Death Note turn him into the very thing he fights against?

Customer Reviews

Born in Tokyo, Tsugumi Ohba is the author of the hit series Death Note. His current series Bakuman is serialized in Weekly Shonen Jump. Takeshi Obata was born in 1969 in Niigata, Japan, and is the artist of the wildly popular SHONEN JUMP title Hikaru no Go, which won the 2003 Tezuka Shinsei âœNew Hopeâ• award and the Shogakukan Manga award. Obata is also the artist of Arabian Majin Bokentan, Lamp Lamp, Ayatsuri Sakon, and Cyborg Jichan G, and the smash hit manga Death Note. His current series Bakuman is serialized in Weekly Shonen Jump.

Completing a previously read series. I read this series many years ago when it first came out. I was glad to find it in the omnibus form which would allow me to have all the books in the series in a condensed shape. Book 4 here collects Death Note vol. 7 & 8 of the 12 book series. Not to confuse anyone but the 13th book of Death Note is not a continuation of the series it is mostly filler material.

The black editions only go to 6 books which has vol. 11 & 12 of the series. If you have not read the books I strongly suggest starting with book 1. This series has an interesting concept of a shinkogami (death god) dropping it's notebook on Earth and what happens when a teenage boy suddenly has power over death. The series is well written and entertaining enough that even my husband who does not care for most Manga wanted to read the entire series. My suggestion as with most Manga would be for parents to pay strict attention to the parental guidelines provided and understand what they mean before buying any manga. This series has an OLDER teen rating and would not be suitable for most children or younger teens.

Great series! Bought this for my husband for Father's Day. He was very pleased. :)

Love it, but have to be very careful since the front and back cover seem to have some velvety texture; I wonder if it was painted on because it start chipping in a few small places but not noticeable enough to make a big deal about it.

Hooked on it

How can I place more emphasis on this already totally awesome series? IV in particular is the half point in the VI part black volume, which is volume 7 of 12 in the overall manga. Black makes it that much better in that there are full color pictures in the front of each edition, fuller sized images of all drawn work through out (maybe 15-30% larger than in the regular volumes?) And best of all, the fact that there are two volumes per one book (7&8 in this one) and that this particularly dark and anti-hero manga series were placed in a very fitting black theme. When viewed from a side profile the page trim is as black as the cover.

My son loves this book series! Usually has them done in a day!

Not much to say other than this is a combination of volumes 7 and 8 from the original series. This edition is a bit bigger than the original volumes, so you don't have to really stretch the book to read/view each panel near the spine, since there's a bigger margin around the edges now. Only downside I have with this is that sometimes the black coloring around the pages rubs off onto your hands.

Amazing Price for an amazing manga
