Got this for an added Christmas gift to throw in for my 7 yr old step son. He was having problems with his behavior at school, and his self esteem was a little down. I thought this would be something he could read and turn to if he felt like he couldn't talk to us or his mom. I couldn't believe out of all the gifts he opened, all toys, he spent at our family gathering the most time trying to read this book. He's still learning to read, but he couldn't put it down. Let me mention, his mother never got him baptized, but his father is God fearing man. I was amazed, I thought he was going to toss this aside because it wasn't a toy but I'm so glad he liked it this much. Jesus works in the hearts of everyone!

Ordered for my 8 year old son- good lessons but may be a little bit beyond him just yet. Probably best for age 10+ kids.

This looks like a perfect book for young boys; bought it for my grandson and am hoping that he loves it! Gentle reminders that Jesus is always with all of us can make a difference.

Good for boys around the age of 8-10. Very good info

Got this for my son. He reads a chapter a day and its really helped him understand God and realize that nothing is too small or too big to take to Him.

I purchased this as a Christmas gift for my 11 year old sons, who like to read every night before bed. This is a great book. They have picked it up every night and read it without me asking them too. This tells me that it is interesting to them and they are getting something out of it. They have seen me read my Bible every night and know the importance of having Christ in our lives. We attend church regularly, but having this extra reminder every night is a good way of helping them grow in their walk with God. Would definitely recommend.

My grandson's loved the devotional. They are between the age of 9-12. It has there daily problems were they can seek the Lord

I bought this book for my little brother and it is a great gift!
