Customer Reviews

Price Stern Sloan publishes fun and engaging books in a variety of formats, including board books, doodle books, activity books, novelty titles, and of course, the classic Mad Libs.

This is a great book and I feel hilarious... some of them were unfamiliar situations for my 7yo, so just FYI that IMO other books in the series would be better for that age.

Great mad libs! Bought for stocking stuffers!

We have a stash of different Mad Libs pads in the car, they are a huge hit with my 7-12 year old crowd and a nice alternative to plugging in a movie. I like that they are learning about nouns, adjectives and verbs while flexing their creative muscles and don't even know it! It doesn't take a ton of time to complete a story so long road trips or short errands, Mad Libs are one of our family's favorites!

You can never go wrong with Mad Libs.

Exactly what I expected

This was bought as a Christmas exchange gift. It looked like a lot of fun!

Having fun with it

Classic.
