# Exploration, Revolution, And Constitution, Grades 6 - 12 (American History Series)

## **Synopsis**

Bring history to life for students in grades 6-12 using Exploration, Revolution, and Constitution! This 128-page book is perfect for independent study or use as a tutorial aid. It explores history, geography, and social studies with activities that involve critical thinking, writing, and technology. The book includes topics such as the land of the Vikings, Christopher Columbus, colonial life, the Boston Tea Party, and patriots. It also includes vocabulary words, time lines, maps, and reading lists. Aligned to Common Core State Standards, NCSS standards and national and Canadian provincial standards.

Age Range: 11 - 18 years

Grade Level: 6 - 12

## **Customer Reviews**

My 7th grade homeschooled son is using this workbook to independently study early American history. He likes the layout, the reading, and the comprehension activities. He has other history books he also enjoys reading, but this workbook is perfect for quiet independent study and to keep track of grades for his portfolio. We plan on getting the next book in the series when he is finished with this one, and hope to go through all of American History for 7th and 8th grade with this series.

My son loves history and this book has made my Homeschooling life easy this year!! Thanks so much.

This is a fun workbook that we use in homeschooling along with other reading. My advanced 5th grader likes it.

Thanks.A++++

A very good supplement for American History. Easy to read and actually could be used alone.

Haven't got into it yet but looks good

More exercises that I expected, but that's great and very engaging.

Good basis to begin our study program. Delivered in excellent condition.
