# The 365 Kittens-A-Year Wall Calendar 2017

## Synopsis

Take the cuteness of a kitten (awwww), and multiply it by 365. Talk about over the top!—and a formula for bestselling success, with 3 million copies sold. Starring the charming winners of the 23rd Annual Kittens of Distinction Contest, 365 KITTENS-A-YEAR is packed with the tiny pink noses, perky ears, fuzzy-wuzzy tails, and wide-eyed, innocent expressions that make kitten lovers swoon. On each full-color spread is one large photograph, plus smaller pictures throughout the grid. Here are kittens peeking out of boxes and baskets. Playful kittens tumbling head over heels. Plus sleepy kittens, curious kittens, goofy kittens, and whole litters of kittens in snuggly little heaps. Engaging text about kitten behavior, training advice, and health and care tips accompany each month's images.

Every year, I have to purchase more and more copies of "The 365 Kittens A Year" calendar for friends and relatives who have seen my copy and want one of their own. The calendar is standard-size wall-format with a color picture of a kitten or kittens for every day of the year---some

posed, some just being naturally irresistible. 365 pictures of kittens makes a great Christmas gift---a smile for every day of year. People from all over the world send in their cutest kitten photographs (we've had our kittens featured for several years running) to be selected for the calendar. If you buy a copy of the 2017 version, there is an entry blank on the first interior page, so that you, too can send in your kitten's photographs for the Annual Kittens of Distinction Contest. The calendar also includes kitten quotations, e.g. "The best things in life are furry," plus advice on kitten care.

I have purchased this calendar every year for my daughter since she was 7, she is now 32. That stands as a testament to how much we love this calendar. WE have always had cats and kittens so we fell in love with the photos. There is a lot of space to write in for each day, not like so many other calendars, which only have a small box for each day. She has written everything she does each day and has saved every single calendar. She now has a journal of her life and is still going strong.

Any person who doesn't like the 365 Kittens a Year calendar along with the name and location of each kitten is a member of ISIS and needs to be executed or, at least, imprisoned at hard labor for an indefinite period. Buy a bunch and hand them out at your next community event. Anyone who rejects one needs to be reported to the FBI and INTERPOL immediately.

I love the 365 Kitten a year Calendar. I've been buying them since 1998. No other will do (according to our cats)

This is the cutest of all the cat calendars, according to me anyway. I have to have it every years, and used to get one for my mother who felt the same way - guess it runs in the family.

Love, love, love this calendar. The numerous kittens make me smile everyday. This is my 3rd year buying this calendar and I will continue to buy again and again.

I love all cats and buy this calendar every year. Adorable kittens posing so cute. A new month brings many smiles to our faces and contentment that such creatures share this earth with us.

I love this kitten calendar and order one each year. It covers all the fun holidays and you have a new kitten pic each day.
