Customer Reviews

“A unique celebration of the human spirit, a compendium of real life examples of courage, exceptionally well written—one of those singular volumes that will linger in the mind and memory long after the book itself has been finished.”—Midwest Book Review

“[The book] recounts wartime experiences that are heart-wrenching, inspiring, heroic and, above all, an emotional tribute to the brave men and women who grace its 256 pages.”—Observer and Eccentric Newspapers

“National Geographic’s moving tribute brings these American heroes to life through intimate photographs and poignant stories.”—History Book Club

“A must have coffee table book that would make a great gift for any patriot.”—San Francisco Book Review

“No military or patriotic collection should be without this inspirational collection.”—California Book Watch

ROBERT H. MILLER is a successful author and photojournalist. He has been a professional

photographer for thirty-six years and is the recipient of several international awards. He is the author of Hidden Hell: Discovering My Father's POW Diary and co-author with Andrew Wakeford of Portraits of Service. ã Â ANDREW WAKEFORD, a British native, was a freelance advertising photographer for well-known global companies for most of his adult life. He began working for the Patton Sustainable Trust in Germany in 2009 where he curated several exhibitions and gained access to veterans and their stories. Veterans Voices is his second book with his friend and co-author Robert H. Miller devoted to veterans.

Veterans Voices deserves a TEN STAR status and hand salute for the recognition and honor it gives to the Soldiers of the past, present and future! Perhaps the stories of courage will give America hope and understanding of what our Veterans carry with them day in and day out. This book has a proud place in my military library.~ Jenny La Sala

A nice coffee table book with the stories of American veteran's from World War II to Iraq. The stories I read were excellent!

I know one of the great American Heros in this book, he is sadly no longer with us, Marine Rory Ready, Rest In Peace Sir. God speed

Great stories of Service.

Loved the pictures! Stories inspired me. Easy reading

Perfect.

Very nice book with lots of veterans! My son also happens to be in it also!!

Robert Miller and Andrew Wakefield's VETERANS VOICES, REMARKABLE STORIES OF HEROISM, SACRIFICE AND HONOR is a collection of stories of 70 American servicemen and servicewomen told by the veterans themselves. A 2016 National Geographic release, VETERANS VOICES presents a compelling and inspiring vision of Americans at war. The stories are divided into sections on Inspiration, Courage, Resilience, Duty and so on. Many of the veterans covered in the book served in Iraq and Afghanistan although there are vets from WWII, Korea, the Cold War,

Vietnam and other locales. The write-ups range from two to four pages with one or more photographs including a color portrait of the veteran. The stories, some of them quite affecting, often describe combat, death and injury but nevertheless offer an uplifting message. Even when horribly wounded and disabled, those men and women have risen above the setbacks and continued on. VETERANS VOICES is, at once, a you-are-there history of Americans at war and a heartwarming tribute to those veterans who fought for our country in some many locales and conflicts. Highly recommended.
