Jordan Worek is the author of the America the Beautiful title Chicago and is the coauthor of An American History Album.

I have used this book as part of a gift for Medical Fellows who are starting their new career usually in another state. The book not only serves as a reminder of the city where they spent much of their lives fine tuning their careers but also in lieu of a card. The staff signs the book with memories of

their times together. It can be displayed in an office or on a desk.

I bought this book because I miss my hometown of Boston. This picture book did not disappoint. Truly beautiful pictures. Thank you.

Beautiful pictures. I bought this book like a gift and send overseas

I purchased this as a gift for some out of towners as the photos are beautiful and it is primarily a photo book. It will give a good overview of the city, highlighting some of the historic areas, without being overly wordy. I think it is a good book to give to somebody who has never been to the city to give them a sense of it as well as a gift for people who have visited and want to remember the sights.

Got this for my mom, she was born in raised in Boston and loves it!

This is an excellent representation of my home town to give as a gift to a friend who has never been.

Beautifully done and a great way to remember a trip.

This is a beautiful book. It met all of my expectations and more. The beautiful photography really gave a feel to the different areas of the city.
