Helps with learning Latin.

useful

Thanks!

This is helping me with my Latin 102 class at our local community college.

Purchased this item with the Oxford Latin Desk Dictionary for my grandson and he was thrilled.

Very helpful quick reference for those learning Latin. I'm learning Latin on my own and find these guides to be very beneficial.

These are so helpful to stick in a binder to just brush up on the fly or to look up something when you forget something basic.
